Angie's list

**We gladly service ALL makes and models of equipment.
We stand behind our work 100%.**

ENERGY SAVINGS PLAN BENEFITS:

- » **Precision Tune-Ups** We thoroughly inspect and clean your equipment and complete a checklist that is presented to you when the tune-up is finished for your peace of mind.
- » **Upholds Manufacture Warranties** Many manufactures are denying warranty claims on equipment that have not had routine maintenance.
- » **You Will Appreciate Our Up-front Pricing** If any additional service is required.
- » **Receive Additional Discounts** On any repairs made on your equipment for the life of your agreement.
- » **Excellent Warranties on All Additional Parts & Labor if Needed** We stand behind our products and workmanship.
- » **Priority Emergency Service** 7 days a week we are here for you with our live after hours answering service.
- » **For your convenience** we will make three attempts to contact you by either phone or email.
- » **We Offer Free Transfers of the Energy Savings Agreement** to the new owners.
- » **Lower Utility Bills** Keeping your system running at peak efficiency will save you money on your monthly utility bills.
- » **For Your Convenience** Both Heating and Cooling tune ups may be completed in one stop annually, depending on the weather.
- » **Commercial Applications** Gold Plans only.

SERVICE YOU CAN TRUST:

Our professional Service Technicians at Davis Comfort Systems know their business and your equipment. You can rely on them and our reputation to give you fast, dependable and fair service. All of our technicians have submitted to a full background check, are professional, trustworthy and respectful of our clients and their equipment.

100% Guaranteed!
